DRESSMAKERS: PATTERN MODEL

## DESCRIPTION.

Of bronze color Camilla cloth, this gown makes a fetching street costume. The waist is made with a deep square yoke of satin which is edged around with a band of lighter shade material braided with the darker. Long sleeves put in at a dropped shoulder line are also of satin, finished at the wrist with a plaited frill of net. The skirt is perfectly plain except for a deep point at the hem in front supplied with the satin and outlined with a braided band.

armhole attach a band of deep shadow lace edging. The same of which should trim the skirt applied to the chiffon overskirt, band above and below the knees. From the centre of the slightly raised waistline in front, where is applied a bunch of tiny chiffon and satin roses, let fall streamers of blue velvet ribbon, which fall to below the hips on each side, where they are weighted with a bunch of the roses, and then drape up to the centre back and finish with a flat bow.

Dear Fashion Editor:  
Will you kindly advise me if I could use the design of the child's dress shown in Saturday's World for a blue serge which I have to make up? If so, could I trim with a black satin collar?

MRS. T. R.

The design would make up very pretty in serge with the satin collar if you have the narrow turnover collar of white albatross.

Dear Fashion Editor:

Will you advise me what I could make from an old-fashioned Dolman, bought twenty-five years ago. It is fitted in the back, having three seams and extends a little below the waist line in back and reaches to the knees in front.

ANSWERS TO QUERIES.

Dear Fashion Editor:

Will you kindly advise me of a simple, pretty dancing frock for my daughter, sixteen years of age? She is a blonde, blue eyes, with heavy eyebrows.

Over a pale blue mauline foundation drape white chiffon in a plain kimono waist, finished around a medium low-cut neck with tiny pink and blue chiffon roses. At the line of a dropped

tiny inner yoke of fine lace. Have the main portion of the skirt of chambrase trimmed with the velvet in the form of a wide panel front and back extending to the knees. A cording of the velvet could outline a four-inch hem. MISS LOUISE—The gown you describe would be most charming and I would only add, with the pink flowers you mention in front have a twist of rich blue velvet ribbon two inches wide around the waist line, ending in streamers in the back.

Dear Fashion Editor:  
Will you be so kind as to advise me which of the two samples enclosed would be most becoming to me, and also offer a suggestion for the making? I am a brunette with regular features but very little coloring. Am rather short. ELLA.

Have the American Beauty shade made with the waist cut to a deep V in front and back, having a tiny inner yoke of silver studded net. The short sleeves could be finished with crystal fringe. Have the crushed belt at the raised waist line finish at the left side with a rhinestone buckle. Let the skirt drape up on the left side and finish at the back in a pointed train.

LIVE WIRE KILLS CHILD.  
Little Boy Playing in B. R. T. Yard Gains Dangling Trolley.

Five-year-old Jacob Schelling, of No. 1880 Atlantic avenue, was playing with a number of other children in the B. R. T. ice yards at Ralph and Atlantic avenues to-day when he spied a trolley wire dangling over a pile of boxes. The child climbed up, seized the wire in both hands and fell to the ground dead. The live wire had been hanging there for several hours.

## WE SPECIALIZE IN MOURNING APPAREL

One entire section of our store devoted exclusively to this. In charge of experts who, for years, have given exclusive attention to these requirements.

Entire mourning outfits may be selected expeditiously with the aid of one of our efficient guides.

Or, the selection may safely be left to them and the order given by mail or telephone, merely mentioning measurement specifications.

As a matter of fact, we pay particular attention to telephone or mail orders, appreciating the often hurried, imperative nature of such orders, as well as the disinclination of many women to shop personally for mourning attire.

A complete assortment of ready-to-wear apparel always in stock. We specialize on mourning garments for women of generous proportions.

Our varieties of styles and our qualities are unequalled in any other store in the city. We are constantly demonstrating the fact that sombre garments do not necessarily mean abandonment of grace and style.
